

Four Drum Fills to Start the New Year

Throughout 2016, our lessons teaching drum fills and drum fill concepts remained very popular. So, we figured we'd start off 2017 with a few drum fill ideas and a simple technique for re-orchestrating drum fills around the toms to create a melodic layer.

The image displays four drum fills, numbered 1 through 4, written on musical staves. Fills 1 and 2 are on the top staff, and fills 3 and 4 are on the bottom staff. Each fill is marked with a number in a box at the beginning of the staff. The notation uses eighth and sixteenth notes, rests, and a double bar line to indicate the end of the fill.
