

## Template: Sixteenth Phrasing On The Snare & Bass

Use this page to create your own drum beats. Challenge yourself, and print multiple copies so you can explore even more grooves. My book, [Chart-Topping Drum Beats: The 60s Through Today](#) explores many examples of chart-topping songs that use *sixteenth phrasing*, as well as coordination exercises to develop this technique.

**DIRECTIONS:** Write bass and snare strokes using *sixteenth phrasing* techniques. The first three are done for you.

### Jumper – Third Eye Blind (1997)

1

### I'm Bad, I'm Nationwide – ZZ Top (1979)

2

### Soul To Squeeze – Red Hot Chili Peppers (1993)
